## WILSON'S CONDITION IS GRAVE

—EXAMINING SPECIALIST.

**No Improvement In Serious Condition Of Nation's Chief Executive.**

**CONSULTATION IS HELD TODAY**

**Patient Cheered By Defeat of the Fall Amendments and France's Action On Treaty.**

**Orders For Absolute Quiet Are Being Strictly Enforced**

**CONDITION GRAVE**

(By Associated Press.)

Philadelphia, Oct. 3.—Dr. F. X. Dercum, of this city, noted neurologist, who examined President Wilson, said today that "the President's condition is grave," but that he is of a cheerful frame of mind.

(By Associated Press.)

Washington, October 3.—There was no improvement in President Wilson's condition today, and Rear Admiral Grayson held another consultation with Rear Admiral Stitt, of the Naval Medical School, and Dr. Ruffin, Mrs. Wilson's family physician, who participated in yesterday's consultation with Dr. Dercum, of Philadelphia.

The President slept some last night. He has no temperature, and his heart action is good, it was said at the White House.

With him is a trained nurse, who is assisting Mrs. Wilson in caring for the patient.

Mrs. William G. McAdoo and Mrs. Francis Sayre, daughters of the President, are on their way to Washington and will arrive today. It was said that while members of the family had not been summoned to Washington, the two daughters had expressed a desire to come. Miss Margaret Wilson, the third daughter, is in Washington.

Orders of the physicians that the President be kept absolutely quiet will be strictly enforced.

The President, it was said, was greatly cheered by the news of the defeat in the Senate of the Fall amendments to the peace treaty and ratification of the treaty by the French Chamber of Deputies.

The photographs show the Belgian embassy in Washington and Baron E. de Cartier de Marchienne, Belgian ambassador to U. S. and his bride.

The President's condition is unchanged, Dr. Grayson's bulletin issued just after noon today said.

Supplementing his bulletin Dr. Grayson told newspaper men that the President's mind was keen and alert and his physical condition fairly good. He also is taking some nourishment.

**BROTHER IS ON WAY TO BEDSIDE**

(By Associated Press.)

Baltimore, October 3.—Immediately after a telephone conversation with the White House today, Joseph R. Wilson, brother of the president, left for Washington.

**ROYAL DECREE MAY BE WAY ITALY RATIFIES**

**Advices From Rome Indicate Italian King Will Take Action**

**Peace Delegates Say Action Would Be Legal**

(By Associated Press.)

Paris, October 3.—Advices received by the peace conference from Rome have persuaded the members of the supreme Council that Italy will ratify the German peace treaty by royal decree.

The general opinion in the council is that such a ratification will be valid under the Italian constitution, as the treaty does not involve any Italian territorial changes.

## GREENFIELD MAN FILES ACTION FOR \$25,000 DAMAGES

Washington C. H. Citizens Made Defendants in Big Damage Case in Ross County.

**ACTION GROWS OUT OF AUTO THEFTS**

**Plaintiff Has Hearing on Charge Of Receiving Stolen Property**

(Special To The Herald.)

Chillicothe, O., October 3.—Fred Patterson, of Greenfield, today filed suit in the common pleas court of Ross county, making ex-Sheriff Henry W. Jones, Ruth Waters and E. W. Hoppes, of Washington C. H., defendants in an action for \$25,000 damages, the outgrowth of the charges filed against Patterson in which he is alleged to have received stolen property from Betts and Babb, of this city.

Patterson's preliminary hearing on the charges is under way today before Mayor Story.

## STEEL MEN MAY REOPEN MANY MILLS

**Plan Is To Open Doors Monday Of Next Week in Another Test of Strength.**

**Virtually No Changes in Steel Strike On Twelfth Day**

(By Associated Press.)

New York, October 3.—The 12th day of the steel strike opened with virtually no change in the situation. The employers and strikers apparently were holding firm pending result of the investigation being conducted by the Senate committee.

Employers in the Chicago and Youngstown districts reported more men returning to work, but strike leaders disputed these claims and insisted that the strikers were remaining loyal to the union.

The only change in the situation at Bethlehem was announcement that bricklayers had walked out in sympathy with the steel workers.

From the Pittsburgh district came reports of plans on the part of employers to attempt to open shops now closed down, beginning Monday, in an effort to cause a break in the strikers' ranks. The chief interest there was the union leaders' battle to obtain what they termed "the right of free speech and free assembly."

## TAFT CONFERS WITH LEADERS OVER TREATY

(By Associated Press.)

Washington, October 3.—Former President Taft participated in a private discussion with Republican senators regarding reservations to the treaty today. He conferred with several including so-called mild reservationists and expected later to see Senator Hitchcock of Nebraska, the Administration leader in the fight, and other democrat Senators.

Republican leader Lodge left today for Boston to attend a Republican state convention tomorrow and arrangements were made for adjournment of the senate until Monday when the Shantung amendments will be taken up.

## RUSE OF KING AND QUEEN IS FRUITLESS

(By Associated Press.)

New York, October 3.—The incognito to which the King and Queen of Belgium choose to assume upon arrival in New York was as novel to New Yorkers as was the actual fact of the presence in the city for the first time in the history of a reigning king and queen.

The Incognito proved partially effective. The queen visited several Fifth avenue stores. In the evening the king and queen assayed to visit a Broadway movie show but the theater displayed standing room only so the Queen accompanied by some members of the royal family, took in a cabaret.

## WEATHER MAN SMILES UPON THIRD BATTLE

**Perfect Weather And Record-Breaking Crowd At Comisky Park For Third Game.**

(By Associated Press.)

Comisky Park, Chicago, October 3.—Perfect weather and what promised to be a capacity attendance greeted the Cincinnati Reds and Chicago White Sox in the third game of the world series here today.

At noon, two hours before game time, the bleacher stands showed a mass of humanity more than a thousand of whom had camped outside the gates all night.

The bleachers were about three-quarters filled and the left field pavilion almost completely filled.

## UNION LEADER SAYS CONCERN LAGGED BEHIND

**Denies The Statement of Gary Regarding Lead In Wages**

(By Associated Press.)

Washington, October 3.—Giving a detailed history of activities in the steel industry, President Tighe of the Iron, Steel and Tin Workers' Union told the Senate committee investigating the steel strike today that the United States Steel Corporation, instead of "leading the van in advancing wages, as Judge Gary has claimed, has in reality lagged behind our organization."

## ACCUSES GARY

In refusing to arbitrate the steel strike Judge Gary is sowing the seeds of anarchy, said Mr. Tighe.

Tighe reiterated that the union were fighting for a union shop and not a closed shop and said the union leaders could not comply with President Wilson's request to postpone the strike until after the industrial conference next week because I. W. W. organizers were active among the men and would have succeeded in calling some "sporadic strikes." Mr. Tighe said that Mr. Gary was promoting the insidious doctrine that there was no way out of an industrial difficulty except destruction of one side or the other.

## MAY INCREASE

(By Associated Press.)

Washington, October 3.—Failure of the president to authorize purchase of the Cuban sugar crop for 1920 makes it almost certain sugar prices will increase after January 1st, a senate sub-committee was told today by the president of the sugar equalization board.

Miss Mary Louise Owens.

At the reunion encampment of the Sons of Confederate Veterans, to be held at Atlanta, October 8-10, the maid of honor for the south will be Miss Mary Louise Owens of Riverdale, Md. She is the daughter of Clarence J. Owens, president of the Southern society of Washington.

## BATTLE ON AT ELAINE

(By Associated Press.)

Little Rock, Arkansas, October 3.—According to long distance telephone report from newspaper correspondents, a battle is believed to be in progress between 50 soldiers and an equal number of armed negroes in a heavily wooded district three miles east of Elaine.

Reports of heavy firing could be heard, it was said.

## KING AND QUEEN GIVEN AN OVATION SECOND TO NONE

**Monster Crowds Line Streets And Cheer**

**The King is Made Citizen Of New York City**

(By Associated Press.)

New York, October 3.—The name of King Albert was added today to the long roll of famous men who have been made honorary citizens of the city of New York. The ceremony on the steps of the city hall and brilliant scenes which preceded it were duplications of the picture presented a few weeks ago when America's own great soldier, General Pershing, was similarly honored here. The King and Queen were the center of an ovation which rivaled, even if it could not exceed, the welcome given to the victorious commander-in-chief when they headed a procession from the battery to the city hall, down streets lined with people.

## SCORE DEAD IN RIOTING AT ELAINE

**Military Authorities Take Over Control in Arkansas Where Reign of Terror Existed.**

**Large Numbers are Taken Into Custody Pending Hearing of Charges Due to Killings**

(By Associated Press.)

Helena, Arkansas, October 3.—With military control established at Elaine, near here, center of the negro disorders which have thrown this county into turmoil, the task of pacification was declared well under way.

Two negroes, who failed to obey a command of a military patrol, today were fired on by soldiers and killed, and another negro was wounded.

Otherwise comparative quiet prevailed in the country districts, with the exception of the firing of a few shots.

The white casualties now total five dead and five wounded. The known negro dead today was fourteen, with other bodies reported in the cane-brakes and underbrush where most of the fighting occurred. So far, more than 260 negroes have been taken into custody.

## RAILWAY UNIONS REFUSE TO TAKE PART IN MEETING

**Object to Basis of Labor's Representation at Conference**

(By Associated Press.)

Washington, October 3.—Railroad unions representing more than two million workers will not participate in the industrial conference called by President Wilson for next Monday, unless the basis of labor's representation is changed to include the chief executives of all international and national unions.

Timothy Shea, of the Brotherhood of Railway Firemen, said today the change in representation had been suggested to Director General Hines but that no reply had been received and none was expected.

Because of this, he said, the four railroad brotherhoods did not expect to go into the conference, and it was thought the fourteen other railroad unions affiliated with the American Federation of Labor also would not participate.

There are quite a few people who still go on the assumption that gasoline is "just gasoline" and that all of it is very much alike. Nothing could be farther from correct.

In fact there is so much difference in gasoline that in many localities the higher grades sell for much higher prices, but, fortunate for Fayette county folks, the gasoline of the highest test, and the best commercial gasoline to be had anywhere, sells no higher here than the ordinary kind. ## SUNNYSIDE RED CROSS GIFT TO SCHOOL ARRIVES

Playground Apparatus To Be Installed Soon Upon Grounds at Sunnyside.

Commendable Action Will Provide Healthful Recreation For School Children.

The new playground apparatus ordered by the women of the Sunnyside Red Cross Unit has arrived and will soon be installed. The equipment is a gift to the Sunnyside School.

At a picnic and reunion of the Sunnyside Red Cross workers in July it was unanimously and enthusiastically voted to equip the school playground as a remembrance of the Red Cross Unit and the soldier boys.

The apparatus was selected and ordered by Miss Agnes Kerrigan, Chairman of the Sunnyside Red Cross Unit, and Mrs. Glenn Rodgers, Secretary-Treasurer. The selections were approved by Superintendent McClain and the board of education and will be installed by them.

The "Giant Stride" is a very popular piece of play apparatus, ball and roller bearing, with steel post and eight ladder handles, chain connections.

The eighteen foot playground slide has platform steel ladder and maple wood bedway.

The high cost of steel apparatus and playground equipment has been discouraging, but because the Sunnyside people are the first to start the playground movement in this city the two outfits were bought at a special price of less than a hundred dollars.

These two outfits are intended especially for the older children but may be used by all.

Swings and other suitable apparatus are planned for the younger children.

The equipment represents the hard work, energy and good will of the Sunnyside women, who did such splendid work during the war.

They feel sure that the children will appreciate the gift and will reciprocate by taking such good care of the apparatus that it may be used by the children of the school for years to come.

In keeping with a special request of the donors the apparatus will be

Ironton, Ohio, October 2.—Mrs. Rozzie Flemings is among the well known and highly respected residents of Ironton who are today publicly offering praise for Trutona, the perfect tonic.

Mrs. Flemings says: "I was suffering from nervousness and stomach trouble. I didn't eat much and the little food I ate didn't digest properly. I was usually constipated. A heavy feeling in my stomach almost invariably followed my meals. I was so nervous I couldn't sleep or rest well at night.

Trutona has helped me in more ways than one. My appetite is a great deal better now and I thoroughly enjoy the food I eat. I've gotten rid of the heavy annoying feeling in my stomach and I'm able to rest better at night now. Trutona is the best medicine for constipation that I've ever taken. It is alone worth the price in this respect. It is so mild and pleasant in action. I feel better all over, since taking Trutona and I'm sure it will do others a lot of good.

Trutona is now being introduced and explained in Washington at Frank Christopher's.

# WHITE SOX SHUT OUT THE REDS

## Kerr Banks Reds With Three Hits in Third Of Series

## Gleason Springs A Big Surprise on The Reds With Bantam Twirler

## Fisher Makes A Poor Showing in The Field, Fair On Mound.

(By Associated Press.)

Comiskey Park, Chicago, October 3. — Kerr's phenomenal pitching gave the White Sox the victory in the third world series game here today, the score being 3 to 0.

Kerr allowed the Cincinnati Reds only three hits scattered through as many innings, and one base on balls and at no time during the entire game were they even in a dangerous position to score.

Fisher pitched fair ball for Cincinnati but his fielding was not so good, an error by him being a contributing factor in the White Sox scoring.

The Sox, however, obtained seven hits and several of them were at fairly opportune times.

### FIRST INNING.

Rath was out, Risberg to Gandil. The ball was a slow grounder and easily handled. Daubert fled out to Felsch. Groh struck out. He missed the last strike, which was a low one over the outside corner. No runs, no hits, no errors.

Leibold sent a line drive to Neale. The latter came in fast and got it, turning a somersault but holding the

ball. E. Collins out, Fisher to Daubert. It was an easy grounder. Weaver sent a high fly to Daubert. No runs, no hits, no errors.

### SECOND INNING.

Roush hit the first ball pitched to Risberg, who threw him out at first. Duncan singled to right center. It was in the Texas league order. Kopf drove to Risberg, who threw him out at first. Risberg messed the ball around until it was too late to get Duncan at second. Neale out, E. Collins to Gandil. No runs, one hit, no errors.

Jackson opened the second inning for Chicago with a clean single to left. Felsch laid down a sacrifice, which Fisher threw into center field in an attempt to catch Jackson at second. Gandil singled into right, scoring Jackson and Felsch and taking second on the throw to the plate. Risberg walked, Schalk up. Gandil out when Fisher threw Schalk's tap to Groh. Risberg reached second and Schalk first. Kerr up. Rariden threw to Groh, thinking Risberg was going to steal but Risberg hurried back to second safely. Risberg was forced when Fisher took Kerr's passy tap and threw to Groh. Schalk going to second and Kerr to first. Groh speared Leibold's drive and threw him out at first. Two runs, two hits, one error.

### THIRD INNING.

Rariden up. Weaver got Rariden's sounder and had the ball in Gandil's hands with Rariden several jumps away. Fisher singled. It was a short hit toward third that Kerr got to but all down in attempting to field it. Kerr almost caught Fisher off first moment later. Rath fled to Risberg. E. Collins grabbed Daubert's sounder and tossed to Risberg forced Fisher to runs, one hit, no errors.

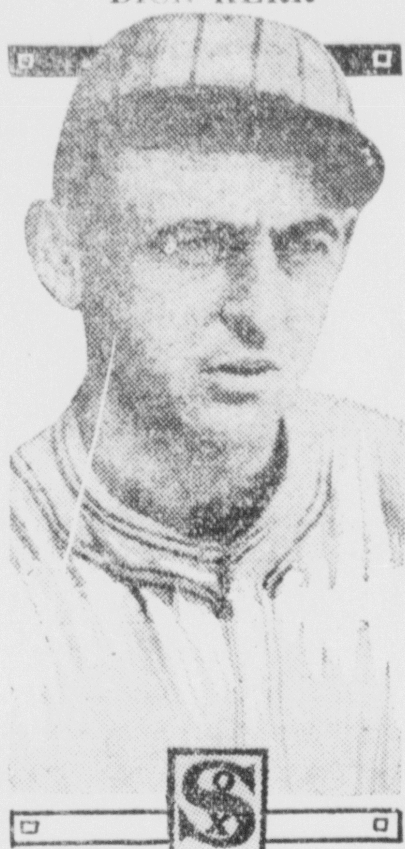

E. Collins drove a hot one to left or a single. Kopf made a high leap into the air and it touched his fingers going by but he could not grasp it. The hit and run game was worked perfectly. Weaver getting an easy fly through short when Kopf went to second and E. Collins started to steal. E. Collins going to second, Weaver to first. Jackson in attempting to bunt popped an easy fly back of first that Daubert took care of. Felsch sent a liner that Groh speared with one hand, threw to Rath forcing Weaver and Rath relayed to first getting Felsch for the double play. No runs, two hits, no errors.

### FOURTH INNING.

Groh worked Kerr for a pass. Risberg took Roush's slow grounder and barely got him at first. Groh going to second. Duncan line fled to Risberg who tossed to E. Collins doubling up Groh. No runs, no hits, no errors.

Groh took Gandil's easy grounder and retired him with a throw to Daubert. Risberg tripled to right, the ball getting away from Neale and rolled almost to the fence. Risberg scored on Schalk's easy tap that bounced away from Fisher for a single. Schalk out stealing. Rariden to Rath. Kerr was thrown out Kopf to Daubert. One run, two hits, no errors.

### DICK KERR

Richard Kerr Jr., born in St. Louis, July 3, 1893. He is a left handed pitcher and batter. Kerr began in Paragould, Ark., in 1909. His first major league trial was with St. Louis Browns, in 1917. He went back to Milwaukee team, from which Chicago obtained him this year. He is 5 feet 7 inches, weighs 155 pounds, is married, and lives in Paris, Tex.

### FIFTH INNING.

Kopf singled to right. It was a fast grounder between first and second that E. Collins could not quite reach. Neale drove a grounder to Gandil who threw to Risberg retiring Kopf but Neale reached first safely. Eddie Collins took Rariden's sounder and tossed to Gandil retiring him, Neale reaching second. Fisher's drive to Weaver was easy the latter throwing him out at first. No runs, one hit, no errors.

Leibold drove to Daubert who retired him unassisted. Fisher took Eddie Collins' bounce and threw to Daubert easily retiring him. Weaver went out the same way. No runs, no hits, no errors.

### SIXTH INNING.

Rath was thrown out Risberg to Gandil. The throw was wide but Gandil made an excellent catch. Daubert sent an easy fly to Jackson. Weaver came in fast and took Groh's grounder and threw him out at first. No runs, no hits, no errors.

Jackson singled to left. It was a short lob that Kopf could not get to. Fisher up. Jackson was caught stealing. Rariden to Kopf. Fisher walked. Felsch out stealing. Rariden to Rath. Gandil struck out. No runs, one hit, no errors.

### SEVENTH INNING.

Roush hoisted a high fly which Gandil went back and captured. Duncan fanned. Kopf popped a high fly to Leibold. No runs, no hits, no errors.

Groh came over and got Risberg's grounder and threw him out at first. Schalk was out Groh to Daubert. On an easy play Rath took Kerr's creeping grounder and tossed to Daubert for the third out. No runs, no hits, no errors.

### EIGHTH INNING.

Up to this time Kerr had pitched magnificent ball allowing only three hits and one walk. Neale struck out. Eddie Collins threw out Rariden at first. Magee batted for Fisher and popped a high fly to Leibold. No runs, no hits, no errors.

Luque pitching now for Cincinnati. Wingo got into argument with several White Sox players, including Smith and had to be escorted to the bench. Leibold fanned. Rariden dropped the ball but recovered it and touched the batter. Eddie Collins out Daubert to Luque. Weaver out Rath to Daubert. No runs, no hits, no errors.

### NINTH INNING.

Rath out Eddie Collins to Gandil. Daubert fanned. Groh out Weaver to Gandil. No runs, no hits, no errors.

If the ignorant idealists had to subsist solely on bread of their own making, they would quit their foolishness in short order.

## The Reds We Like

Never did the famous old Cincinnati Red Stockings of '60 and '70, by their remarkable performances on the base ball playing field justify the faith and confidence of their admirers better than have those present Reds under the leadership of Pat Moran who carried gloriously to base ball fame the name of the Queen City of the West in the first two games of the world series contests.

Twice in succession were the confident and arrogant leaders of the American League humbled by the superior playing, in all departments of the game, by the red-hosed lads at the Cincinnati park.

Just what fans of this great corn belt section all hoped for and many predicted came to pass in actual play. The Cincinnati team always rose gloriously to every crisis whether of inside or outside base ball. Their opponents were halted in their offensives by the admirable work of the Cincinnati fielders and the far-famed and justly acknowledged defense of the White Sox crumbled and broke under the assaults of the "Pat Morans."

The Cincinnati team is about the most perfectly coordinated and smooth working piece of base ball machinery ever put together.

## The President's Illness

News as to the condition of President Wilson is not encouraging. The attending physicians issue statements assuring the public that there is nothing in the condition of the chief executive warranting any alarm but at the same time there is a discouragement connected with these announcements, containing no positive statement of a decided change for the better, that cannot be avoided.

While all of us hope for the best, there seems to be an ominous atmosphere surrounding conditions, a feeling, so to express it, that the public generally has been given only the most encouraging reports possible to give under the circumstances. There is a feeling that all has not been made public and, not so much from what has been said by attending physicians as what they have left unsaid and the general tone of the message to the public, that the condition of President Wilson is serious indeed.

We all know that the responsibilities which President Wilson has borne have been tremendous. No President has had greater cares and greater problems and no President has dealt more honestly with them than he has. Sensitive and not a rugged man physically, the constant cause for worry, the demand on his strength has been such as seldom fall to any man. Overworked, anxious for the future, seeing dangers which many cannot and some refuse to see, the violent abuse heaped upon him has been unequalled in American political history. It's no wonder the sensitive nervous system has collapsed under the strain of it all.

President Wilson has made mistakes—he would not be human if he had not in these turbulent times. He has done some things which justify criticism but the intemperate abuse that has been indulged in by his political enemies is wholly unwarranted. Not one word of commendation for all his great work do they utter while condemnation of everything is hurled toward him from the hostile batteries of his enemies.

We often wonder how public men stand it all any way, and how President Wilson has stood the strain and the apparent lack of appreciation this long, without a breakdown is marvelous.

There is consolation, though, in the belief that the noisy critics do not represent appreciative Americans. Perhaps, though, the President as the target for all the deafening abuse can't hear the heart throbs of the great nation and has become discouraged.

## France and Germany

Quite natural one of the most discussed questions to arise in France, now that the war has been brought to an end, is whether or not trade with Germany should be resumed by the French people, whether, in view of the abuses Germany made of trade relationship with them prior to 1914, the French should again trade with the Germans.

Peace and the knowledge of peace time requirements has quieted the wrath of the French, many of whom are asserting that a trade worth billions of francs annually cannot be thrown away.

But even now, this soon after the cessation of hostilities, Germans are found in France active in business affairs, masking their identity as well as they can, seeking to mislead the French people and procure some advantage by treachery.

While France may again deal with the Huns and to that extent modify her vow made in time of war, many years will pass by before the French people will trust the Germans, if they ever do.

## POETRY FOR TODAY

WINDS.

Some winds, like robins, nest in trees  
And some, like meadow larks, in  
grasses;  
While others cling to flowers, like  
bees.  
The gales that sweep the salt mor-  
asses,  
Like petrels, brood on stormy seas;  
And eagle-winds, as wild as these,  
There cryes make on heaving  
masses  
Of crag in rugged mountain passes.  
But wiser is the nestling breeze—  
The laughing, elfin breeze, that  
furls  
Its fragrant wings among your  
curls!

## FRENCH SUFFER MISSGIVINGS OVER TRADE RENEWAL

(By Associated Press)  
Paris, September 4.—(By Mail)—The impending resumption of commercial relations with the enemy of yesterday is causing the French public at large a good deal of misgiving. Many would keep the German out at all cost, but cooler heads realize that France cannot afford to close the door upon a customer of a billion francs annually. There is however, a fairly unanimous feeling that if the German is to come back to France, he must come back in some recognizable shape and not disguised as too often before. Incidents such as the following do not serve to put the public mind at ease. A woman of good social standing of Lille recognized yesterday, in the person of a cashier in one of the big department stores of Paris, a former German officer. She had good reason to remember him as one of the invaders who had been quartered upon her home in Lille.

Challenged as to his identity, the man stoutly denied his Teutonic nationality. He spoke French perfectly; his papers were to all appearance in order, and the accuser at first found scant credence on the part of the management. Then she remembered that the man had once boastfully exhibited his arm, on which the portrait of the former German Emperor was

## THOUGHT MY LIVER WAS ON A STRIKE

Head Was Giddy, Spots Danced Before My Eyes, Breath Foul, was Tired and Drowsy. Dreco Wiped It Out.

"I have suffered for quite a while with sluggish liver; at times I would get so dizzy I would have to stop and sit down; spots would dance before my eyes; I had headaches and a bad taste in my mouth; my appetite became poor and my food did not digest nor give me strength; my stomach was often sour, while gas and bloating caused me much uneasiness. The pains often extended round to my back and limbs so that it was an effort to keep on with my work," says Mr. A. C. Rex, member of the firm of Rex Bros., of Harrod, O., near Lima.

"There was so much talk about and praise being given Dreco, I decided to try it. The first bottle proved to me it was a good medicine, as it soothed my stomach and relieved the gas forming. I continued the treatment, and never have a dizzy spell nor see the spots before my eyes; my bowels act regular; my appetite is fine; the food digests and gives me strength; I don't have any more pains in my back or limbs, and haven't had a headache in a long time. Dreco is a good medicine and I gladly add my words of praise for it."

Dreco acts on the liver in a smooth, gentle manner, gradually working off the excess bile day by day. It is neither strong nor harsh and does not excite the muscles of the bowels as strong cathartics do. It tones up the digestive organs and relieves gas on the stomach; puts an end to constipation; increases the appetite; gives strength to weak kidneys; restores tired nerves and induces sound sleep. Dreco is a great blood purifier and system cleanser. All good druggists now sell Dreco, and it is highly recommended in this city by

## RANDOM NOTES

SOCIAL : PERSONAL MENTION : CLUBS

The hostess house of the Daughters of the American Revolution, one of the most widely known lodges of Camp Sherman is a thing of the past.

The house itself has been turned over to the government and equipment will be disposed of by the various chapters of the society. Furniture for 65 bedrooms has been donated to Oxford College for Women.

The furniture of the living room donated by the Cleveland chapter will be used by that society for its new quarters in Cleveland. The library furnishings go back to the Cleveland Central High School.

The local Chapter was much interested in the work of the hostess house and contributed its quota toward its building and furnishing.

Mr. Willis McCoy and his bride were given a genuine old fashioned wedding Thursday night at their home on Broadway. Nearly half a hundred friends and neighbors participated and after the wedding were invited into the pretty home and spent a jolly hour with the bride and bridegroom.

An inkling of the affair had come to Mr. and Mrs. McCoy who in turn surprised their guests by serving refreshments.

The Woman's Foreign Missionary Society of the Methodist Church met at the home of Mrs. Ella Blessing on Washington Avenue, Thursday afternoon, and a feature of the afternoon

was the welcoming into the Society of six new members, Mesdames Will Patton, C. W. Shough, Angeline Mills, Will Reif, A. H. Taylor and J. B. Harsha.

The president, Mrs. Frank M. Kennedy conducted a beautiful little service of welcome.

Following the regular opening of the meeting with devotionals led by Mrs. Alice Adams, and the business session, Mesdames C. S. Haver, Frank Christopher and C. A. Teeters gave splendid reports of the District Convention held at Mt. Sterling.

Miss Josephine Porter introduced the afternoon topic, "Medical Missionaries," with a very interesting paper, Mrs. William McClain and Mrs. Ola Boyer both had well written papers on this subject.

Mrs. G. S. Hodson gave a brief history of the hymn "Blest Be the Tie" which is a favorite with the members.

Mesdames John Dalbey, Margaret Dalbey, Ola Boyer and Miss Augusta Adams were assisting hostesses.

Thirty-three women of the society were present.

The girls of Mrs. Scott Hopkins' Sunday School Class of Grace Church, greatly enjoyed a picnic supper at the home of the assistant teacher, Mrs. William Patton, on Clinton Avenue, Wednesday night.

Garden flowers were in effective arrangement throughout the room and the picnic supper was an elaborate one.

Miss Lorie King, a guest, added much to the merry sociability of the evening in a number of very beautiful piano numbers.

Mrs. Martha McCoy entertained the Woman's Foreign Missionary Society of the M. E. Church of Bloomingburg, Thursday afternoon, with Mesdames Linnie Minnix and Abbie Smith, as assisting hostesses.

The meeting opened with the President in the chair. After the business session, the meeting proceeded with the impressive service of the installation of new officers. The study and the text book was then taken up and a comprehensive report of the District Convention at Mt. Sterling was given.

Mrs. Abbie Smith added a pretty vocal solo to the program entitled, "Another Year Dawning," and the minister Rev. Laughlin gave an interesting talk on "Sins."

The hostess served dainty refreshments, and Victrola music was enjoyed.

About thirty young people of the Christian Endeavor Society of the Church of Christ gathered, at the home of Mr. James Minshall, Wednesday evening. A business session was held and plans made for the fall work.

The remainder of the evening was spent in the enjoyment of glee vocal and instrumental music and a general good time. Light refreshments were served.

ments were served consisting of cake and lemonade.

The young people of this society are hoping to have many more gatherings of a similar kind during the fall and winter months.

The Young Woman's Foreign Missionary Society of the Methodist church met Thursday afternoon with Miss Mary Craig as hostess. Mr. Ralph Penn, Mrs. Jess Feagans and Miss Pearl Minton assisting hostesses.

The beautiful day was a further inducement in bringing out a large number of young women, and the meeting was of both pleasure, and information.

Mrs. Morna B. Chapman conducted the opening exercises and Mrs. Mina Morris the devotionals. In the business session Mrs. Reba Bay gave a gratifying treasurer's report showing that this society has given over \$225 to the Missions during the year.

Mrs. Edna Rodecker, who was chosen as a delegate to the Chillicothe District Convention at Mt. Sterling made an interesting report.

Miss Dora Mae Stewart favored the society with a pretty vocal solo, "Blue bird."

The first chapter of the new study book "The Crusade of Compassion" was thoroughly handled by Mrs. Frank Hays, Mrs. Bay read the leaflet. The mystery box was explained and briefly demonstrated by Mrs. John Dial.

Mrs. Henry Link and Mrs. Cecil Shoemaker were new members taken in, before the meeting closed with a social time, and light refreshments were served.

HOSPITALS MUST  
BE ERECTED FOR  
SMALLER CITIES

Crowded conditions in city hospitals make it almost a present necessity to establish a modern hospital in this city and in all other towns of growing population. One Columbus surgeon who is connected with a large hospital stated that the Columbus hospital were almost always full and that reservations had to be secured in advance in order to insure the kind of room preferred by the patient.

This same surgeon declared that he had at the time of speaking six patients on the waiting list who were to enter the hospital as soon as accommodations could be provided.

The reason given for this condition in city hospitals is that a continually increasing number of people go to hospitals for operations that up to almost the present time have been performed in the home or in the physician's office.

An example is given of a man who consulted a physician on the advisability of having his tonsils removed at home. He was told by the doctor that it would be a much safer and better plan to go to the hospital the day before and prepare for the operation, which, although a minor one, often has serious complications when proper care was lacking at the critical moment. After the operation the patient made rapid progress and soon was expected to leave the hospital. Later in the day he was seized with a fit of coughing and developed a hemorrhage. Had it not been for the skillful attention which was rendered him on the instant it is stated by the attending physician that he would have died.

Such cases as this are rare but the fact remains that more and more people find it convenient to go to the hospitals even for only a short time.

With the building of the new hospital adequate facilities will be provided for taking care of the local people in all cases rather than compelling them to go to the large city hospitals where they may be delayed in securing the needed accommodations.

CAN ORDER FROM  
GOVERNMENT STORE

Announcement is made that citizens desiring to take advantage of the establishment of a government store in Columbus, and who cannot visit the store in person, may mail their orders for goods, and in the lobby of the postoffice will be found price lists of the large variety of articles to be sold direct to the user.

The proper address of the Columbus store is: Army Quartermaster Retail Stores Div., Columbus, Ohio, and all orders must be accompanied by payment, no uncertified checks being accepted.

Some of the articles on sale and prices are: New cotton blankets \$3 per pair; new wool and cotton blankets \$5 each; wool blankets \$6 each; rubber boots \$5.25. Many other articles are included.

HICKORY NUTS  
ARE ABUNDANT

Hickory nuts are ripening at the present time and they are exceptionally abundant this season in most parts of the surrounding country.

The belief exists among many that hickory nuts do not ripen until after a few frosts, but already many persons are finding a great many ripe nuts.

## NEWS CAUSES REGRET

Friends in this city regret to learn of the recent death of Mr. Harry Clapp, son of Mr. G. N. Clapp, of Middletown, former manager of the Washington Gas and Electric Company.

The birthstone for October is Opal. Hetteshelmer, Jeweler.

## BOTH TEAMS WILL HAVE BIG FELLOWS

When Wilmington and the Washington Athletics clash at Sunnyside Park Sunday afternoon the greatest array of big league material ever assembled on the local lot is expected to make its appearance. The Athletic management has made no statement concerning the players but it is certain that the Wilmington team will have great opposition.

Wilmington will have some new men in uniform and it promises to be a great game even though the great sixteen inning battle of last Sunday which resulted in a tie of 4 to 4, is not duplicated.

## BETTS IS HELD TO GRAND JURY ON TWO CHARGES

(Special to The Herald)

Chillicothe, O., October 3. — After a hearing before Mayor Story today, Omar Betts, accused of having a stolen automobile in his possession and of obtaining money under false pretense by selling a stolen car, was held to the grand jury on \$400 bond in each case.

Fred Patterson's testimony on the stand was somewhat conflicting.

Many persons were here today from surrounding towns endeavoring to obtain information concerning stolen machines.

Another stolen machine was located here today.

## YOUTH HELD FOR STEALING \$52.00

John R. Ryan, young colored man of Bloomingburg, Friday morning was held to the common pleas court on a charge of stealing \$52 from Barney, the money, it was alleged having been taken from a locker in the sales barn building after the locker was forced.

The defendant was represented by Attorney Nye Gregg, and waived examination before Mayor Dahl. Bond was fixed at \$100, but was not furnished.

The theft of the money is alleged to have taken place on Sept. 28th.

## NEGOTIATIONS ARE RESUMED

London, October, 3.—Negotiations between the government and labor representatives other than railway men were resumed today in an effort to bring the authorities and the railway representatives together for a settlement of the railway strike.

## EDUCATIONAL CLASSES AT THE Y. M. C. A.

The Educational Committee of the "Y" is composed of William McClain, Chairman; O. K. Probasco, Dave Fernau and Herman Frey. Teachers are being selected for the various courses. These will be announced in a few days. It will be the purpose of the "Y" to start the educational department, under a full head of steam, not later than the 1st of November. This is regarded a good opportunity for those who want further instruction in the practical lines of education.

All in the field for any one or more of the following subjects are requested to drop a card to the secretary of the Association: French, Business English, Bookkeeping, Short-hand and Typewriting, Automobile.

## BROUGHT FROM SOUTH FOR INTERMENT

The body of Mrs. Arminia Heagler, widow of the late Rev. Harrison Heagler, who died in Paragould, Ark. is being brought to this city for burial arriving Sunday to be placed in the public vault of the Washington cemetery until Monday, when the burial services will be held.

Mrs. Heagler was the daughter-in-law of the late Z. W. Heagler, one of the old citizens of Washington and belonging to one branch of the pioneer Hegler family. Many years have intervened since her residence in this city, but it was her desire to be laid to rest in the Washington cemetery.

## SEEKS DIVORCE NEGLECT CHARGED

Charging gross neglect of duty and asking for divorce and an injunction to prevent the defendant from entering upon plaintiff's property or otherwise interfering with plaintiff, Kattie L. Irons has filed action in the probate court against Raymond C. Irons. The injunction was allowed.

Post & Reid for plaintiff.

## NO WORD FROM STOLEN MACHINE

So far no definite word has been received concerning a Ford roadster owned by Joe Miller, of Milledgeville, which was stolen from in front of the court house in this city last Saturday afternoon, and concerning which little information had been given out locally.

Cards were sent out describing the machine.

There are as many ways to win a woman's heart as there are women.

## VIEWS OF OTHERS

In answer to the "Old Wagon" being unsanitary.

In Wednesday evening's Herald we were very much surprised on reading the article about the wagon which stood on the corner of Court and Fayette, being unsightly and unsanitary. If the street corner was in unsanitary condition caused by men spitting and loafing it was not caused by the wagon being there. For years that corner has been in an unsanitary condition caused by men and spitting and there has not been a single complaint made.

The old covered wagon as they call it has been inspected by the hotel and restaurant inspectors and fire marshal and we have also city and state licenses.

## HAPPY FELSCH HOLDS RECORD FOR FIELDERS

(By Associated Press)

Chicago, October 3.—Oscar "Happy" Felsch, who plays center field for the White Sox against the Cincinnati Reds, is the holder of a new record for major league center fielders. On June 26, 1919, while the White Sox were playing Cleveland, "Happy" accepted twelve chances without a slip. Eleven of his chances were flies and one an assist.

Jimmy Slagle, while playing right field for the Chicago Nationals, in 1897 made 12 putouts, and this is the record for all outfielders, as far as putouts are concerned.

In 1877, Schafer, who played right field for the Braves, had seven putouts and four assists and Hornung, left fielder for the same club, gathered

## FAMOUS INDIAN GRID STAR COACHES GEORGETOWN

Exendine and his squad in scrimmage practice.

Exendine, one of the famous Indian football players developed at Carlisle Indian school in the days of Glenn Warner, is seeking fame for himself as a football mentor. He is coaching the Georgetown university eleven. And because of Exendine's prowess on the field and his teaching under Warner Georgetown students are expecting a glorious season.

Exendine, after graduating at Carlisle, became assistant coach to Warner and so had time to absorb many of Warner's ideas and much of his general system of training and play. Georgetown has given the great Indian good material, according to all reports. Practically all of the regulars of the 1917 team are back. The 1918 team, of course, was broken up by the war.

## Y. M. C. A. CORNER

All plans are being laid at the Y. M. C. A. to begin the regular fall program in every line October 15th. The building is being renovated to make everything sweet and clean. Much is also being done for the comfort of the friends of the Association.

The order for two number one select continuous bowling alleys has been placed with Brunswick-Balke-Collender Company of Cincinnati. These alleys will according to the

statement of the company, be available for use by December 1st at the latest. This is going to be a tremendous asset. Business men are asked to begin to organize their bowling clubs so that when the alleys are laid they will be used immediately.

The fall work will open with a public reception on Wednesday, October 15th. This will be a big affair and is for the friends of the Association, male and female, far and near. No stone will be left unturned to make this reception one long to be remembered. The public is requested to consider this an invitation and to keep Wednesday, October 15th, at 7:45 p. m. open and consider this reception as the only thing doing in Fayette County. Program will be announced later.

## MANSFIELD BACK FROM FOUR YEARS WITH MARINES

After four years of steady service in the Marine Corps and given up for dead by friends in this city, William Mansfield, better known as Vernie Mansfield, arrived in this city Wednesday with his honorable discharge in his pocket and a military record record to none.

A boy, for several years before enlisting Mansfield made his living by doing odd jobs and working for the Backenstoe Brothers grocery. Both parents were dead and he had no close relatives. On September 15, 1915 he declared his intention of joining the service and chose the Marine Corps.

Although a trained fighter at the time of the United States entry into the war he was not sent overseas for some time after the declaration of hostilities. But after being sent to the fighting zone he was in almost continuous action until the armistice was signed a year later. His greatest engagement was in the Argonne. He was connected with the 2nd Division.

Wednesday noon he walked into the Backenstoe grocery no longer a boy but the fine specimen of manhood which goes to make up the United States Marines. Young Mansfield has not determined what his plans will be for the future.

## WILL DEDICATE LOGAN MONUMENT

Friday, October 10th a monument erected by the citizens of the Logan Elm community in Pickaway county will be dedicated to the memory of Logan, Chief of the Mingos and noted Indian Orator.

The monument stands within a stone's throw of the famous Elm itself. Don E. O. Randall will deliver the dedicatory address and the pupils of the schools of the Elm community will take part in the ceremonies.

## AT DEATH'S DOOR

"I was talking with my neighbor, Mr. Webb, the other day, regarding the great trouble his stomach had given him. He said he suffered 7 or 8 years, and had been almost at death's door a number of times from acute indigestion and bloating of gas, which seemed to shut off his heart action. He said he wouldn't have lived much longer if he hadn't taken Mayr's Wonderful Remedy when he old, which made a well man of him." It is a simple harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

## HUNS' EFFORT TO BOTTLE UP BRITISH FLEET

London, September 2. (By Mail)—German U-boats tried to bottle up the British Grand Fleet in the Firth of Forth during the latter part of the war, says a "London" paper which describes this as the most ambitious operation by enemy submarines.

The scheme aimed at the blocking off of the entrance to the Forth by the sowing of a big minefield. Three months of hard work were devoted to the task by a considerable fleet of sub-marines, the mines being laid in the shape of a half-moon. But the minesweepers had discovered the plan and, as fast as the mines were planted they were cleared away.

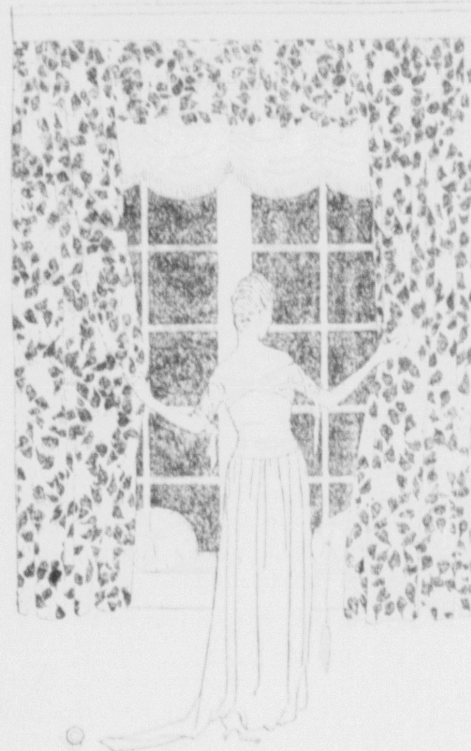

It is recalled that other similar attempts to trap the fleet were made in 1915 in the Moray Firth, when over 400 mines were laid, and in 1916 at the Orkneys. In round numbers, on these three occasions, the Germans laid 1,199 mines at a cost of \$1,000 each. The King Edward was the only fighting ship that fell victim in these operations.

Enormous numbers of mines were laid by the Germans off Harwich. It was found that these fields were spread regularly at ten-day intervals so British sweepers occasionally left portions of these waters unswept so that when the next batch of sub-marines came along they ran afoul of their own mines.

The task of clearing British waters of mines is almost completed.

## Beautiful and Original Draperies--Winter 1919

To visit the section of curtains and draperies is always a pleasure to home lovers, because we have always something new and interesting to show them; but the introduction of the beautiful weaves and printings for draping and curtaining the windows, cushioning the window seats, the doors and door ways, and for upholstering the chairs and lounges—this is indeed the occasion of occasions.

A large shipment of new draperies arrived this morning and has been put on sale at extremely moderate prices.

Marisettes, in white, cream and colors, plain and fancy designs.

Madrascs, in rose, blue of rich patterns and in various widths and qualities.

Cretones, in beautiful floral designs from pale shadings to the most brilliant contrasts.

Sultana Cloth, in iridescent shades of brown, blue, rose and gray.

Ready Made Curtains in Marisettes, Scrims and Fancy Nets.

You are cordially invited to attend this introduction of the season's styles in artistic draperies and curtains.

## NOISES SOUNDED LIKE RAILROAD TRAIN SHE SAYS

But Nerv-Worth Banished This and Other Distressing Ills From Mrs. Umstead's Life.

Mrs. Umstead was not content to profit by Nerv-Worth virtues and stop at that. To pass her good news along she made the following statement to Sidney Nerv-Worth druggist and said he might print it:

J. W. Poff:—I have suffered with head noises for the last six years. Noises sounded like railroad trains and sometimes like four different noises at one time.

Since taking Nerv-Worth these noises have left me and I sleep well now. My stomach and digestive organs are fine now and I feel better in every way—like a new person. I will be pleased to recommend Nerv-Worth to anyone and to tell anyone what Nerv-Worth did for me.

## PENALTY SEVERE WHERE NO NUMBER

Because of the interest manifested in the defacing or changing of numbers on motor cars, due to the investigation now under way in Chillicothe and surrounding towns, attention is directed to the law covering the offense of defacing or changing numbers, or even having such machine in one's possession, which reads:

"Section 12613-1 (Penalty for defacing identification mark). Whoever knowingly buys, sells, receives, disposes of, conceals or has in his possession any motor vehicle, as defined in section 6290 of the General Code, from which the manufacturer's serial number or any other distinguishing number or identification mark has been removed, defaced, covered or destroyed, for the purpose of concealing or destroying the identity of the said motor vehicle shall be fined not more than \$200 or imprisoned not more than six months for both.

Persons buying autos should be careful, it is urged by the authorities, that the machine has its serial number unimpaired.

## OHIO WESLEYAN GETTING READY

Delaware, Ohio, October 2.—The Ohio Wesleyan eleven has but two practices before the annual football clash with Ohio State University at Ohio Field, Saturday afternoon.

## DRUNKS LESS SAYS REPORT

(By Associated Press.)

London, September 8.—(By Mail)—Lord D'Albany, head of the Liquor Control Board, in a speech at Carlisle vindicated the Government's policy with respect to intoxicants declared there had been a great decrease in drunkenness due to State control.

The work of the Board, he said, had vindicated the school of moderation and of reasonable and scientific control. He claimed that the Control Board "had put an end to the appalling condition of drunkenness and inefficiency which existed in 1915 and which paralyzed the war efficiency of the country."

## TEACHER INJURED BY AUTOMOBILE

While crossing East Court street at the North street intersection in front of the Fayette Hospital Thursday evening about five-thirty Miss Anna Bell a teacher in the primary grades of the public schools of this city, was struck by a Chevrolet closed car driven by Miss Pauline Taylor, a senior in the Washington High School.

Miss Bell was knocked to the ground by the impact of the car. She was removed to the Fayette Hospital where a preliminary examination was made and it was discovered that no bones were broken, although she was badly bruised and shaken.

Later in the evening Miss Bell was removed to her home. It is expected that she will be confined to her home for several days. The attending physician reports that her condition at the present time is very satisfactory and as far as known no serious effects will result from the accident.

## Hood Prices, being based absolutely on actual costs of highest quality materials and labor, are consistent with Hood Quality and Road Service

The Hood ideal of tire value and service—greatest average mileage actually delivered at lowest cost per mile—remains unshaken by unsettled conditions which are arising to confront and confuse both tire dealers and tire users.

With costs of materials and labor at a high point, with the cost of cotton showing increase, with labor constantly increasing in cost, with rubber only slightly weakening, and with overhead reduced to a point of efficiency seldom equaled in the tire business, Hood will maintain present prices and quality.

Any reduction under the above conditions would necessitate a reduction of quality or quantity of materials or of both. We will not pull down our standard—it has made Hood Tires famous the country over as the Quality Tires of America.

The quality of Hood Tires will be maintained.

Hood prices will continue to be—as in the past—THE standard by which real tire values can be safely judged, for to-day the price of a tire is the only true representation of comparative value—guarantees have come to mean nothing.

Ask us to show you records of Hood average mileage of last year. Let us prove to you WHY price, divided by miles actually delivered, makes the Hood the most economical tire you can buy.

Can you afford to be without Hoods?
